

Meet Surface Laptop 2 for Business

Powerful expression

High performance

More performance to power productivity. The perfect partner for productivity, new Surface Laptop 2 for Business has more multitasking power to get more done with the latest quad-core powered 8th Gen Intel® Core™ processor. All-day battery life¹ and amazing sound keep you moving. See your work in true-to-life color with the vibrant and durable 13.5" PixelSense™ Display.

Most versatile

A creative touch. Ideas flow through your fingertips on the 13.5" interactive touchscreen that supports fast, easy navigation for work, creative inspiration, and on-screen writing and drawing with Surface Pen.* Transform Surface Laptop 2 for Business into a desktop PC when you connect to external monitors with Surface Dock.*

Innovative design

Style you can take with you. Thin, lightweight, and elegant on-the-go style fits easily in your bag at just 2.76 lbs. Complete your look with a choice of four rich tone-on-tone colors, including new Black.³ Open effortlessly to get to work on the luxurious Alcantara® material-covered keyboard, and listen in to conference calls or videos with spectacular Omnisonic Speakers.

Best of Microsoft

Makes the most of Microsoft 365. Keep your business on the right track with the essential foundation and familiarity of Windows 10, the protection of Microsoft Enterprise Mobility + Security, and the Office 365⁺ productivity apps you rely on every day. Deploy, manage, and protect identities with ease.

¹ Surface Laptop 2 battery life: Up to 14.5 hours of local video playback. Testing conducted by Microsoft in August 2018 using preproduction Intel Core i5, 256GB, 8 GB RAM device. Testing consisted of full battery discharge during video playback. All settings were default except: Wi-Fi was associated with a network and Auto-Brightness disabled. Battery life varies significantly with settings, usage, and other factors.

² System software uses significant storage space. Available storage is subject to change based on system software updates and apps usage. 1 GB= 1 billion bytes. See [Surface.com/Storage](https://surface.com/Storage) for more details.

³ Colors available on selected models only. Available colors may vary by store, market, and configuration.

⁴ Advanced Exchange Service (AES) is available in supported markets only. Surface Laptop 2 Commercial devices are eligible for AES at no additional charge. Restrictions apply. See [Surface for Business warranty page](https://surface.com/Business/warranty) for AES terms and conditions at product general availability.

⁵ EN/US only.

⁶ Available at full-line stores only. Software support is limited to software pre-installed on the Surface device.

⁷ Available at full-line stores for 12 months after purchase. Training session does not include data transfer.
